

What are the contact details of support services for the parents of pupils with special educational needs?

There are many services that can be called upon to support children in school coordinated by the SENCo. School has an established network of support that includes professionals from the services listed below:

- Pastoral Care Leader
- CAMHS
- Educational Psychology Service
- Communication and Interaction team
- Behaviour support services
- Speech and Language Therapy
- School Nurse
- Health Visitor
- Occupational Therapy
- Physiotherapy
- Social Care

Should you need to contact one of these agencies please speak to the SENCo who will arrange for this to happen.
