

How is the school's special educational needs budget allocated?

- The school budget, received from the DfE (Department for Education), includes money for supporting children with SEND.
- The Head Teacher decides on the budget for Special Educational Needs and Disabilities in consultation with the school governors, on the basis of needs in the school.
- The Head Teacher and SENCo discuss all the information they have about SEND in the school, including:
 - The children getting extra support already
 - The children needing extra support
 - The children who have been identified as not making as much progress as would be expected

And decide what resources/training and support is needed.

- All resources/training and support are reviewed regularly and changes made as needed.
