

How will I know how my child is doing?

- Your child's progress is continually monitored by his/her class teacher.
- His/her progress is reviewed formally
 - every half term in reading, writing and maths
 - every term in science, RE and all other subjects
- If your child is in Year 1 and above, but is not yet working at National Curriculum levels he/she will be given a 'P level'. This is a more sensitive assessment tool which shows their level in more detail and also shows smaller but significant steps of progress.
- At the end of each Key Stage (i.e. end of Year 2 and Year 6) the government requires all schools to assess children formally and the results are published nationally. This assessment is a mixture of teacher assessment and externally marked tests.
- Children at School Action Plus will have an Individual Education Plan (IEP) which will be reviewed with your involvement, every term and the plan for the next term made.
- The progress of children with a statement of Special Educational Needs (SEN) and/or an Education and Health Care plan (EHC) is formally reviewed at an Annual Review with all the adults involved with the child's education.
- The Special Educational Needs Co-ordinator (SENCo) will also check that your child is making good progress within any individual work and in any group work that they take part in.
